Los países hispanohablantes

For this project, you will choose and research a Spanish speaking country.

In order to complete this project, you must do the following

- Create the flag of the country
 - Using construction paper or drawing using markers/crayons/colored pencils, you will make the flag that represents the country you choose. You may not print a picture off the internet. Once created, be sure to write the country name somewhere on the front of the flag.
- Research and display the following information on the BACK of your flag
 - Where is the country located? (North America, Central America, South America, Europe, the Caribbean)
 - Three popular dishes from the country (could be breakfast/lunch/dinner/dessert)
 - A picture and description of at least 3 well known athletes/singers/actors from the country
 - A popular dance originated from the country (Salsa, bachata, etc)
 - At least 3 cities or landmarks in the country that someone can visit
 - Three fun facts/facts that interest you about the country

You may use as many pictures as you want, as long all information fits on the back of the flag
