Los Superhéroes de la Vida Real

You will create a video trailer for a movie about a personal superhero in your life. Remember the goal of a movie trailer is to entice people to watch the full length feature. Your trailer should be a tribute to the hero in your life and why you consider them to be so. Be creative and original in your representation.

Your presentation should also meet the following criteria:

1. Your video should include 1½ - 2½ minutes of dialogue or speaking.
2. You are encouraged to use a variety of vocab words from Unit 4 as well as any other necessary vocabulary and grammar to talk about characteristics and qualities of heroes.
3. Be creative! You may incorporate props, costumes, graphics, music, etc...use them appropriately and effectively! Remember you are trying to persuade your audience to watch the entire movie.

Due Date: Friday, December 13th

This project will be worth 100 points and be based on the following rubric.

_____/20 Time: The **minimum** requirement is 1½ minutes for 14/20 points. For a score of 20 in this category, you should aim for 2½.

_____/20 Hook: Effectiveness of the message and use of persuasive techniques. How well do you appeal to your audience and get them to buy into what you are presenting? Is your trailer memorable?

_____/20 Grammar: Since this is a video and you have the ability to edit and voice over, your grammar should be flawless. The expectation is that you have command of the indicative and imperative moods and are also incorporating the subjunctive. To receive a 20, your execution should not only be correct, but also include a variety of grammatical concepts.

_____/20 Delivery: You should speak loudly and clearly. Although I do not expect you to sound like a native speaker, I do expect that your accent reflects the fact that you have been studying Spanish now for almost 3 years. Your pronunciation should show practice and effort. You should be able to speak using inflection and not just in a monotone voice. Again, remember your intent to persuade.

_____/20 Overall Presentation: How well do you incorporate all the criteria listed in the project description? Is your presentation **creative, original and thoughtful**?
