

Spanish 3 Honors — B Days

Grammar and Vocabulary Practice Homework Log

Unit 7

This log breaks up the grammar and vocabulary homework on a daily basis. The dates assigned are the days when homework *should be done* – not when it is due. Remember that although we are on a block schedule here at Casa, that is not the best way to learn a foreign language. The best way (besides total immersion) is to study a little bit every day.

There may be days when you are assigned additional reading, writing, listening, etc. homework, but this is your Spanish language practice that will enable you to participate in the more language arts based activities that we will do in class. On the days that you don't have additional homework, I recommend that you go to classzone.com (Avancemos 3) to review vocabulary and complete other grammatical exercises to assist in your mastery of the concepts.

**The calendar and links for classzone are accessible from my website (srtahendricks.weebly.com)*
